**Güner Ofis**  **Turkey**

We as Güner Ofis Gereçleri Company are happy to present you our newest and updated catalogue with all the informations needed such as pictures, product description and accessories. We believe you will be better informed through this comprehensive catalogue.

To give you a brief information about our company, Güner Ofis Gereçleri is very well known company in the field of leather and wooden desk set production. Since 2014 we have been working with great efforts to produce good quality leather desk sets. To achieve this goal we worked hard with our team who are trained during the production by the professionals. As a result today we have been serving to our clients whom are from all over Turkey. We deliver our products to 81 cities of Turkey and 7 countries such as Germany, Romania, Azerbaijan, Georgia, Tajikistan and Iraq. We are glad to have 6000 happy customers nationwide and more than 1000 happy customers abroad.

This year we aimed to expand our sales activities more in the other countries. So our dealer programme is open for every company. We will work with one company from each country. So opportunity is limited.

We welcome you to join our sales network and share the joy of selling high quality desk sets that will make a lot of people happy. we believe in this way your company will get good benefit of providing satisfaction. Quality products, happy customers ...

Yours Sincerely  
Muhammed Kocaman
